

SUMMER 2019 WRITERS BOOTCAMPS

In each three-day themed Bootcamp, a group of 4th-8th grade students will produce three original pieces - an author bio., a free-verse poem, and a short story. To get the job done we'll learn the genre structures, adhere to the 6 Traits of Writing, get ink stains on our fingers, and push ourselves hard. Hooyah!

KWLA Bootcamps offer students a fast-paced opportunity to step away from their screens and step up to the challenge of creative engagement.
